

AWESOME ★CHIPS★

YOUR JOURNEY TO SUCCESS

BACKGROUND AND HISTORY

Hi and welcome to Awesome Chips. We are super excited to give you a insight into our world. As you well know, we sell chips. A lot of chips! Our hard working team, work day and night in producing the best chips to feed our ever growing loyal fan base. We've experienced our ups and downs, but 8 years later, we are still here. Stronger, wiser and smarter. We are so excited by our success, that we want to share it with you. We are offering a unique franchise model, with low set up costs, very strong return on investment and sociable trading hours. Sounds too good to be true right? Wrong! If your looking for a franchise, with a potential return on your investment within 2 years, then you have knocked on the right door. Let us enlighten you...

THE MARKET

The quick restaurant market is set to grow at a annual rate of 5.1% year on year. Potato chips represent one of the most popular snack foods across the globe. Chips are amongst the cheapest and most convenient food options available for people on the go. Awesome chips is perfectly positioned to take advantage of this growing market, with its unique range of fresh hand cut chips, signature house-made sauces and plenty of plant based options. Chips appeal to almost **100%** of the population, coupled with the fact that you, the prospective franchisee has a tremendous opportunity, to open in key locations across UK.

Welcome to Awesome Chips.

THE CONCEPT

We offer one of the most unique concepts in the fast food space.

- Fresh hand cut chips, cut and fried to perfection, tossed in our signature house-made sauces and rubs.
- Affordable low ticket item, which makes it a attractive option for the masses, and a recession-proof business. As history tells us, the potato is one of the go to foods in tough times.
- Low start up capital investment.
- Quick return on investment. Average site pay back-2 years.
- Clear simple and uncomplicated menu.
- Happy and bright colours with a strong brand identity.

THE MISSION

Chips have predominantly been an afterthought, rather than a stand-alone dish. We have put our beloved chips on a pedestal. Judging by the feedback from our loyal customers, we are clearly doing something right. The vision for Awesome Chips, is to become a household name. When you think of fresh hand cut chips, you think of Awesome Chips.
